USB Data Stick 2GB or larger	Cue cards

Directions regarding use of Stationery

1. Please label every item **permanently**.
2. You should collate your stationery according to the subject requirements as listed above for your chosen subjects.
3. The stationery for a subject is for Units 1 and 2 **and** 3 and 4 of a subject unless otherwise indicated.
4. The Graphics/CAS Calculator is purchased via the School. Please see the Maths Department in order that the appropriate purchase may be made. Details will be advertised early in Term 4 so that purchase can be completed before Rollover.
5. Obtain a pencil case to hold your pens, pencils, pencil sharpener, compass, highlighters, colour pencils, scissors, glue, eraser, stapler, small hole punch and ruler (if possible).
6. Please note it is against School policy for liquid paper or similar products to be used.
7. It is recommended that the four ring binder and the binder books be purchased from the School; however, the place of purchase of all other stationery items is a matter of choice. The Graphing/CAS Calculator is to be purchased through the Maths Department.
